

CREDIT MANAGER

Are you an experienced Credit Manager who is looking for a new challenge?

About Us:

Scottish Pacific Benchmark is by far the largest independent debtor finance provider in Australia. We employ over 120 people across Australia and New Zealand and recognise that great companies are about great people and we are committed to attracting and retaining the very best talent we can find.

Our aim is to be the best at whatever we do, not just the largest, not just the most profitable but the best. To achieve this we have defined areas of business and goals that we share with all, but we must have people who are confident, creative thinkers and who believe in our commitment to customer service.

About you:

The Credit Manager, which is a national function based in Melbourne, works closely with the National Credit Manager providing operational support to ensure Group Credit Risk and Compliance requirements are met.

The successful candidate will undertake and manage significant projects, both in magnitude and importance to the Group, and maintain high standards whilst meeting designated deadlines. You will support the NCM in the development of ongoing credit controls, policy and procedure documentation as well as security documentation. You will also assist with the monitoring of compliance with these policy and procedures, generate and monitor credit risk exception reports, whilst acting as an internal point of reference on risk matters.

You will be comfortable developing and conducting training/coaching on a formal and informal basis, as required. Whilst maintaining appropriate relationships with internal stakeholders, you will also manage the relationships with key risk service providers, such as Veda, Panel Solicitors and Insolvency firms.

You should have a sound knowledge of, receivables lending, all forms of Insolvency, security documentation, credit risk management experience and a sound knowledge of commercial laws and regulations including Anti Money Laundering and Counter Terrorism which impinge on the operations of finance companies.

Your remuneration will reflect your excellence in all fields of operation, which will continue to help build on SPB's continued success through attention to detail, ability to work under pressure and pro-active participation in a strong team environment.
